

The Empower School Curriculum Plan

This is The Empower School ASDAN (**Award Scheme Development and Accreditation Network**) Curriculum Plan.

Per our Curriculum Policy, our Academic Curriculum will be delivered via ASDAN awards during each term with the focus being on project-based learning.

The ASDAN Curriculum Plan at The Empower School is aligned with our Curriculum Policy and Pupil Assessment Procedures. It follows our established curriculum principles and meets the Independent School Standards (ISS), ensuring consistency in our educational approach tailored for SEND and SEMH students.

Subjects delivered through this: Maths, English, Science, IT, Geography, History, Aesthetic and Creative and PSHE.

ASDAN subject-based support: Curriculum Plan

This Curriculum Plan is specifically tailored for students with Special Educational Needs and Disabilities (SEND). It utilises ASDAN accreditation within a project-based learning framework, providing tailored support and differentiation to ensure accessibility, engagement, and progression for all students in Years 7 to 11.

Autumn Term: Sustainable Living and Environmental Stewardship

ASDAN Focus: Environmental Award: <https://www.asdan.org.uk/environmental-short-course/>

Project based learning activities based on: Sustainability, renewable energy, recycling.

Integrated Subjects: Maths, English, Science, Geography, IT, PE, Aesthetic & Creative, PSHE

Teaching Methodology: Project-based learning with collaborative tasks, practical experiments, digital presentations, and reflective logs - Strategies include structured routines, visual aids, simplified instructions, sensory-friendly environments, additional time allocation, hands-on learning, and regular movement breaks.

Assessment Methods: Portfolio of work, ASDAN assessments, group presentations, individual reflections - Adapted assessments include verbal explanations, visual presentations, one-to-one evaluations, flexible task completion methods, and learner voice.

Evidence of Progression: Development of knowledge on sustainability, critical thinking on global issues, skills in teamwork and problem-solving - Progress monitored through individualised learning plans, clear incremental learning goals, continuous observation, and personalized tracking.

Learner led reasonable adjustments for Year Groups (Years 7-11)

Year 7: Guided practical tasks

Year 8-9: Collaborative exploration

Year 10-11: Independent research and presentation - Additional SEND differentiation includes tailored adult support, peer mentoring, step-by-step guided instruction, and scaffolded learning resources. Student voice.

Spring Term: Community and Cultural Heritage

The Empower School Curriculum Plan

ASDAN Focus: Personal Development Programme: <https://www.asdan.org.uk/personal-development-programmes>

Project based learning activities based on: Community projects, local history research.

Integrated Subjects: Maths, English, History, Geography, IT, PE, Aesthetic & Creative, PSHE

Teaching Methodology: Project-based learning through field trips, interviews, creative productions, and community involvement - Strategies include structured routines, visual aids, simplified instructions, sensory-friendly environments, additional time allocation, hands-on learning, and regular movement breaks.

Assessment Methods: Portfolios, community project presentations, multimedia presentations, assessment - Adapted assessments include verbal explanations, visual presentations, one-to-one evaluations, flexible task completion methods, and personalized feedback, and learner voice.

Evidence of Progression: Enhanced understanding of local heritage and culture, improved social interaction skills, creative and analytical skills - Progress monitored through individualised learning plans, clear incremental learning goals, continuous observation, and personalised tracking.

Learner led reasonable adjustments for Year Groups (Years 7-11)

Year 7: Structured community exploration

Year 8-9: Independent community interviews

Year 10-11: Leading community projects - Additional SEND differentiation includes tailored adult support, peer mentoring, step-by-step guided instruction, and scaffolded learning resources.

Summer Term: Technology and Creativity

ASDAN Focus: Enterprise Award: <https://www.asdan.org.uk/courses/enterprise-short-course/>

The Empower School Curriculum Plan

Project based learning activities based on: Making simple inventions and developing creative ideas.

Integrated Subjects: Maths, English, Science, IT, Geography, PE, Art & Creativity, PSHE.

Teaching Methodology: Hands-on activities and simple group projects, Clear, short instructions and visual aids, Regular breaks and movement sessions, Calm, structured classroom environment.

Assessment Methods: Showing work through practical demonstrations, Talking about ideas with teachers or peers, Using pictures or digital presentations, Individual feedback and support from staff, and learner voice.

Evidence of Progression: Checking progress regularly using individualised learning plans, simple checklists and observation notes, celebrating achievements and new skills.

Learner led reasonable adjustments for Year Groups (Years 7-11)

Year 7: Basic creation of models and simple ideas

Year 8-9: Building slightly more detailed projects with teacher guidance

Year 10-11: Working independently on creative ideas, with adult support and step-by-step help

Alignment with Curriculum Policy and Pupil Assessment Procedures

Curriculum Aims:

- Provide a broad, balanced curriculum tailored for SEND needs.
- Foster resilience, confidence, and personal development.
- Promote academic achievement and vocational skills through ASDAN qualifications.

Assessment and Monitoring:

The Empower School Curriculum Plan

- Comprehensive baseline assessments in and social-emotional areas (e.g. SDQ).
- Continuous formative assessments including daily observations, journaling, reflective practice, and behavioural tracker and ASDAN certification achievement.
- Summative assessments: Termly pupil progress reports, structured pupil reflections, and regular parental/carers reviews.

Support and Differentiation:

- Tailored Individualised Learning Plans (ILPs) based on SMART goals.
- Differentiated instruction including structured routines, sensory-friendly spaces, visual aids, and regular movement breaks.

Learner Voice and Feedback:

- Regular student feedback through weekly reflections and termly learner voice assessments.
- Student voice integrated into curriculum review and planning processes.

Quality Assurance:

- Termly internal moderation and external validation to ensure consistency and compliance with ISS standards.

Equal Opportunities:

- Curriculum designed to promote inclusivity, equality, and accessibility for all learners.
